

TONI KELLISON

Toni Kellison is a career coach with more than 30 years of experience in both the business and government sectors. As a licensed Financial Advisor for a Fortune 500 company Toni managed more than \$30 million in assets for clients primarily in the Education and Health Care Industry. She was a partner in a successful business, marketing office furniture to the Federal Government. Toni began her career as a Job Placement Advisor for the Virginia Employment Commission and successfully placed hundreds of clients.

Her varied career experience gives her special insight into the needs and requirements of different industries and work environments. She has relocated for job opportunities and understands the special challenges involved in making that decision. Toni is a recognized leader who helps her clients evoke confidence, find clear direction and formulate strategies for positive action. She offers guidance in how to generate new perspectives and create a personal plan of action that will help the client attain both short- and long-term goals. Her clients find Toni to be warm, positive, and resourceful.
