

## JEANNE STONER

---

Jeanne Stoner brings deep experience and a high-energy coaching style to support clients across all industries, levels, and functions. She is an accomplished H.R. leader and an experienced career coach, with success coaching more than a thousand clients from time of impact to goal attainment. She distinguishes herself by her depth of knowledge in the coaching profession and extensive H.R. experience.

Jeanne is skilled across the entire coaching spectrum, but her specialties are personal branding—self-promotion, résumés, cover letters, and LinkedIn Profiles. Jeanne is known to be an effective coach and trainer who gives constructive feedback to yield the best quality results. Her goal is to help un-complicate the process, making job search refreshing and, of course, rewarding.

### Expertise

- Career Transition Coaching
- LinkedIn Assessment
- LinkedIn Profiles
- Résumé Writing
- Job Search Correspondence
- Personal Branding & Self-Promotion
- Interview Skills
- Job Search Tools
- Virtual/Traditional Networking

### Experience

- Coached individuals across levels and functions within telecommunications, financial services, and IT consulting industries. Supported end-to-end career transitions for all clients, from technical, support staff, and senior-level executives.
- Recognized with an accomplished career in H.R., training, and O.D. for Motorola Inc., Fortune 500 global telecommunication company. Supported change campaigns to achieve organizational transformations for diverse operations— supply chain, software and hardware engineering, I.T., and support functions. Strategic business partner with executive teams. Drove \$10M cost reduction through “Own Moto”, an enterprise-wide initiative.
- Co-Led team that built an Employment Ministry for a mega-church. Designed content and delivered training to 1,000 guests — résumé writing and LinkedIn Profiles.
